2           Maine.

3           “(D) The approximately 3.17-mile segment  
4           of Dolly Gordon Brook from its headwaters in  
5           York, Maine, and extending downstream to its  
6           confluence with the York River in York, Maine.

7           “(E) The approximately 1.65-mile segment  
8           of Libby Brook from its headwaters in Kittery,  
9           Maine, and extending downstream to its con-  
10          fluence with Dolly Gordon Brook in York,  
11          Maine.

12          “(F) The approximately 2.43-mile segment  
13          of Rogers Brook from its headwaters in Eliot,  
14          Maine, and extending downstream to its con-  
15          fluence with the York River in York, Maine.

16          “(G) The approximately 4.54-mile segment  
17          of Smelt Brook from the Bell Marsh Reservoir  
18          dam in York, Maine, and extending downstream  
19          to its confluence with the York River in York,  
20          Maine.

21          “(H) The approximately 12.14-mile seg-  
22          ment of the York River from the outlet of York  
23          Pond in Eliot, Maine, and extending down-  
24          stream to the Route 103 Bridge in York,

1           Maine, including Barrell Mill Pond in York,  
2           Maine.”.

### **3 SEC. 3. MANAGEMENT.**

#### 4 (a) PROCESS.—

(1) IN GENERAL.—The York River, Maine segments shall be managed in accordance with—

7 (A) the stewardship plan; and

17       (b) COMMITTEE.—The Secretary shall coordinate his  
18 or her management responsibilities under this Act with the  
19 Stewardship Committee, as specified in the stewardship  
20 plan.

21 (c) COOPERATIVE AGREEMENTS.—

22                         (1) IN GENERAL.—In order to provide for the  
23 long-term protection, preservation, and enhancement  
24 of the York River, Maine segments, the Secretary  
25 may enter into cooperative agreements pursuant to

1       sections 10(e) and 11(b)(1) of the Wild and Scenic  
2       Rivers Act (16 U.S.C. 1281(e) and 1282(b)(1))  
3       with—

- 4                 (A) the State of Maine;  
5                 (B) the municipalities of Eliot, Kittery,  
6                 South Berwick, and York in Maine; and  
7                 (C) appropriate local, regional, or State  
8                 planning, environmental, or recreational organi-  
9                 zations.

10                 (2) CONSISTENCY.—Each cooperative agree-  
11         ment entered into under this subsection shall be con-  
12         sistent with the stewardship plan and may include  
13         provisions for financial or other assistance from the  
14         United States.

15                 (d) LAND MANAGEMENT.—

16                 (1) ZONING ORDINANCES.—For the purpose of  
17         the York River, Maine segments, the zoning ordi-  
18         nances adopted by the municipalities named in sub-  
19         section (c)(1)(B), including provisions for conserva-  
20         tion of floodplains, wetlands, and watercourses asso-  
21         ciated with the segments, shall be deemed to satisfy  
22         the standards and requirements of section 6(c) of  
23         the Wild and Scenic Rivers Act.

1                             (2) ACQUISITION OF LANDS.—The authority of  
2                             the Secretary to acquire land for the purposes of the  
3                             York River, Maine segments shall be—

4                                 (A) limited to acquisition by donation or  
5                             acquisition with the consent of the owner of the  
6                             land; and

7                                 (B) subject to the additional criteria set  
8                             forth in the stewardship plan.

9                             (3) NO CONDEMNATION.—No land or interest  
10                             in land within the watersheds of the York River,  
11                             Maine segments may be acquired by condemnation.

12                             (e) RELATION TO THE NATIONAL PARK SYSTEM.—  
13                             Notwithstanding section 10(c) of the Wild and Scenic Riv-  
14                             ers Act (16 U.S.C. 1281(c)), the York River, Maine seg-  
15                             ments shall not—

16                                 (1) be administered as a unit of the National  
17                             Park System; or

18                                 (2) be subject to regulations that govern the  
19                             National Park System.

20                             (f) DEFINITIONS.—For the purposes of this section:

21                                 (1) SECRETARY.—The term “Secretary” means  
22                             the Secretary of the Interior.

23                                 (2) STEWARDSHIP COMMITTEE.—The term  
24                             “Stewardship Committee” means the York River  
25                             Stewardship Committee.

1                             (3) STEWARDSHIP PLAN.—The term “steward-  
2                             ship plan” means the York River Watershed Stew-  
3                             ardship Plan, dated August 2018, developed pursu-  
4                             ant to the study described in section 5(b)(21) of the  
5                             Wild and Scenic Rivers Act.

6                             (4) YORK RIVER, MAINE SEGMENTS.—The term  
7                             “York River, Maine segments” means the river seg-  
8                             ments designated by the amendment made by sec-  
9                             tion 2.
